Mother Teresa

Aourela Kyrazi
Nefeli Theodoridou

Mother Teresa was born in Albania in 1910.
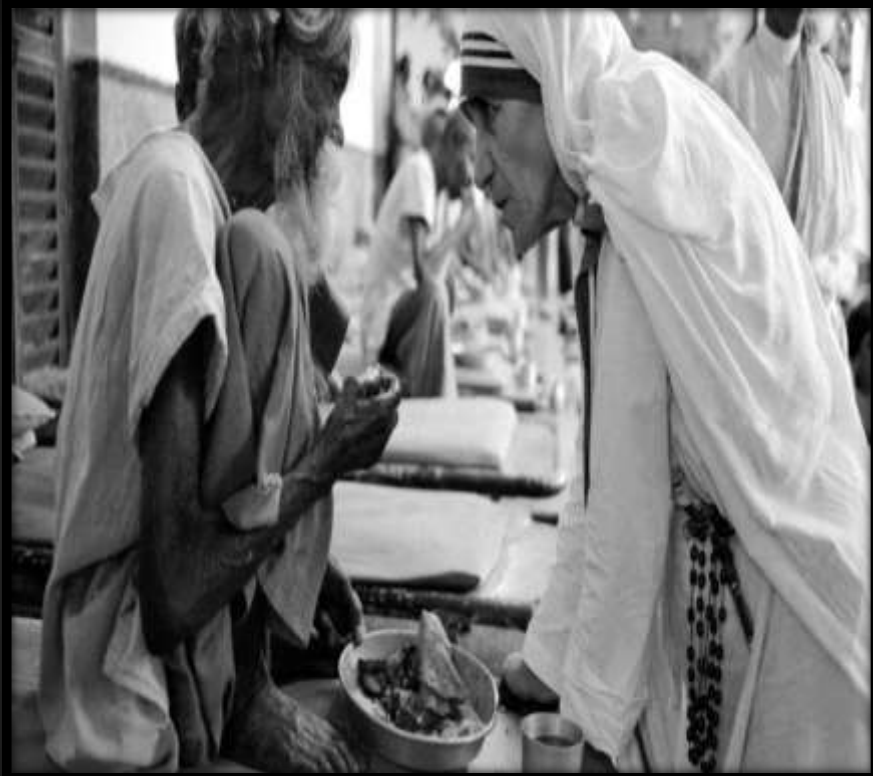

At the age of twelve, she made a decision to become a nun.

She wanted to spend her life working among the poorest of the poor.

She started a charity organisation to feed the hungry and look after the sick.

She won the Nobel peace prize in 1979. »

Mother Teresa caught pneumonia and died in 1997.

"kind words can be short and easy to speak, but their echoes are endless"
