NATHALIE DELIGIANNI

How a young girl defended rights in education and changed the world - 2012

She wasn't afraid

- ☞ She believes in God and because of this she had much power and strength.

She made speeches for peace

**She had much help from her parents
and this made her continue her war**

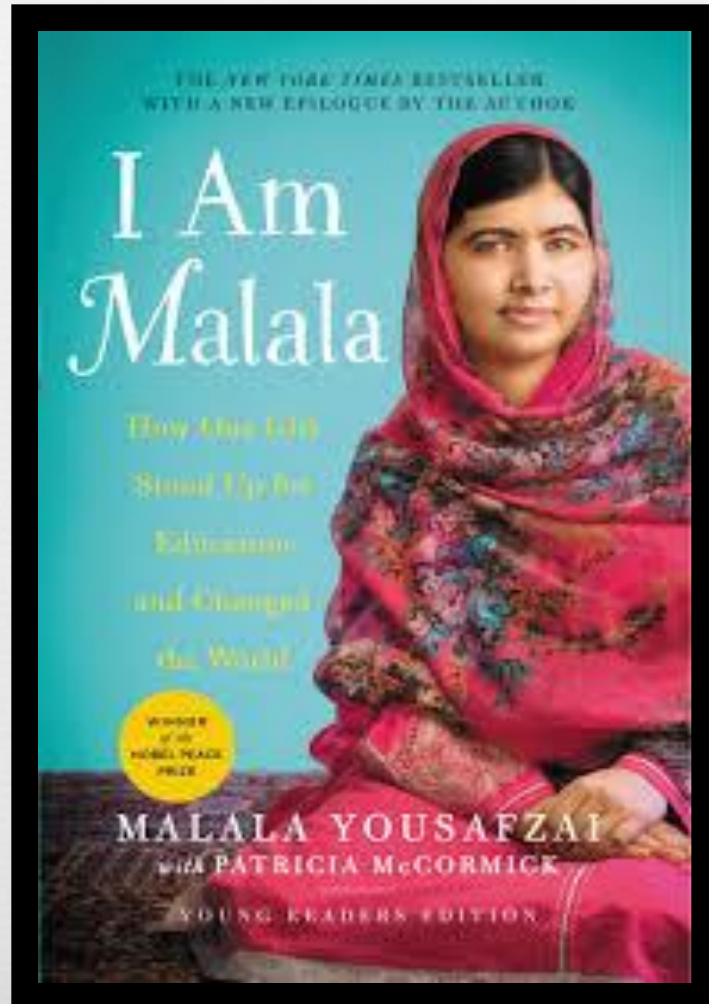

**She defended the rights for women and
she paid the cost for it**

In 2014 she won the Nobel Peace Prize (the youngest person in the world)

The book for her life
