Crete is the largest of the Greek islands. It offers both developed tourist areas with resort hotels and also quiet coves, hidden beaches and invigorating mountain villages and plateaus that reward the discerning world traveller.

Crete has “everything”! A variety of features include ***mountain villages, long sandy beaches, rocky bays, beach-bars & nightlife***. There are magnificent mountain ranges, water-sports, tranquil locations and clean swimmable seas. Bathed in clear sunlight throughout the year. The climate is one of the best in Europe. The most popular travel and vacation destination

The busiest tourist visit period is April to mid-October.

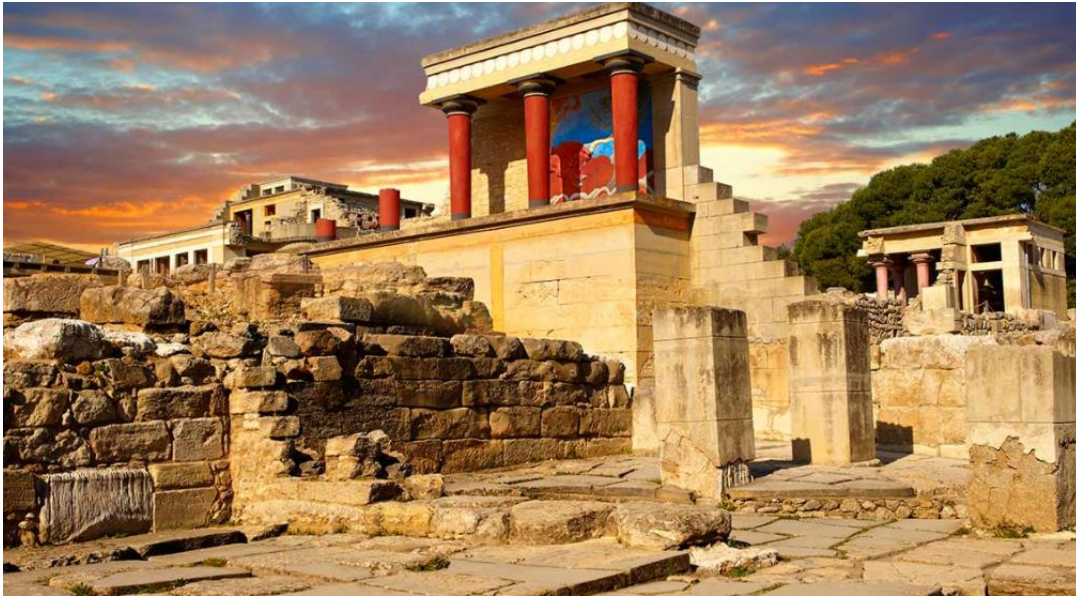

There are hundreds of villages and other small towns. There are truly individual and unique places – any mood, any pace, any style or setting exists here.

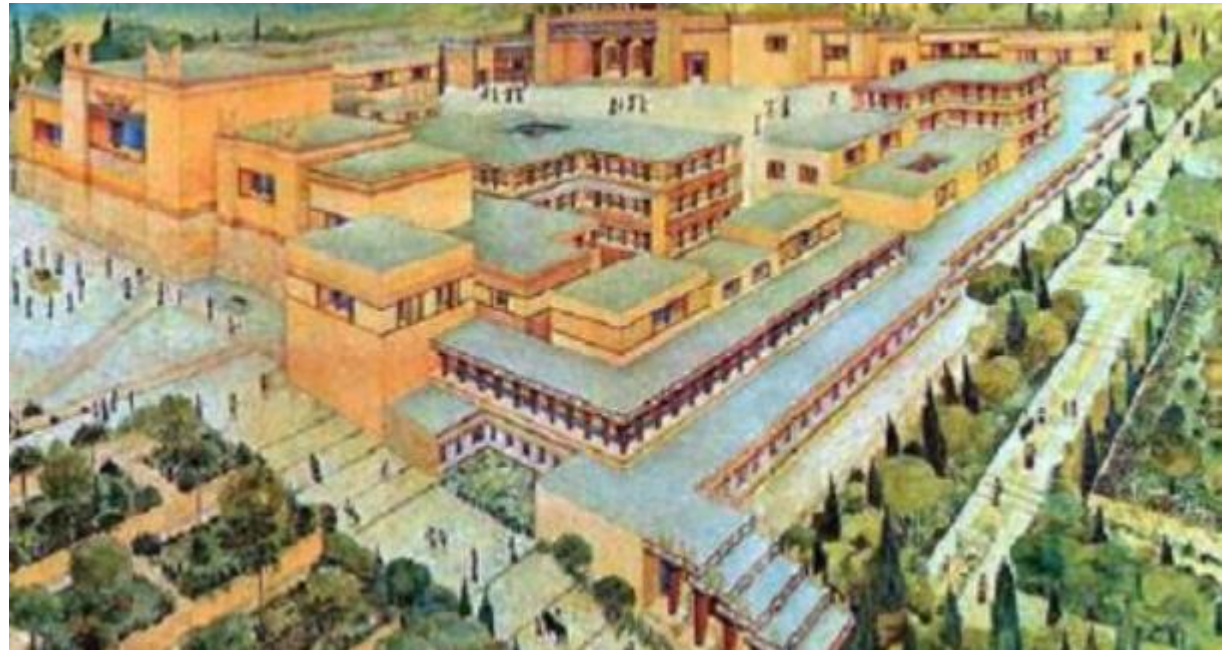

There are walks, climbs, drives and rides that take you across stunning plateaux, dramatic mountain and seascapes. There is more - the part that you can discover, that special place "the Crete" you are looking for

KNOSSOS ist Europe's oldest city and just one of the ancient treasures to be explored in Crete.

Don't leave Crete without trying...

If you haven't visited **Crete** yet, it is time to come and discover this fascinating Greek island next summer.

If it captures your heart, don't worry. Come back next year and Crete will welcome you once more.
