

# DRINKING BEFORE DRIVING IS LETHAL

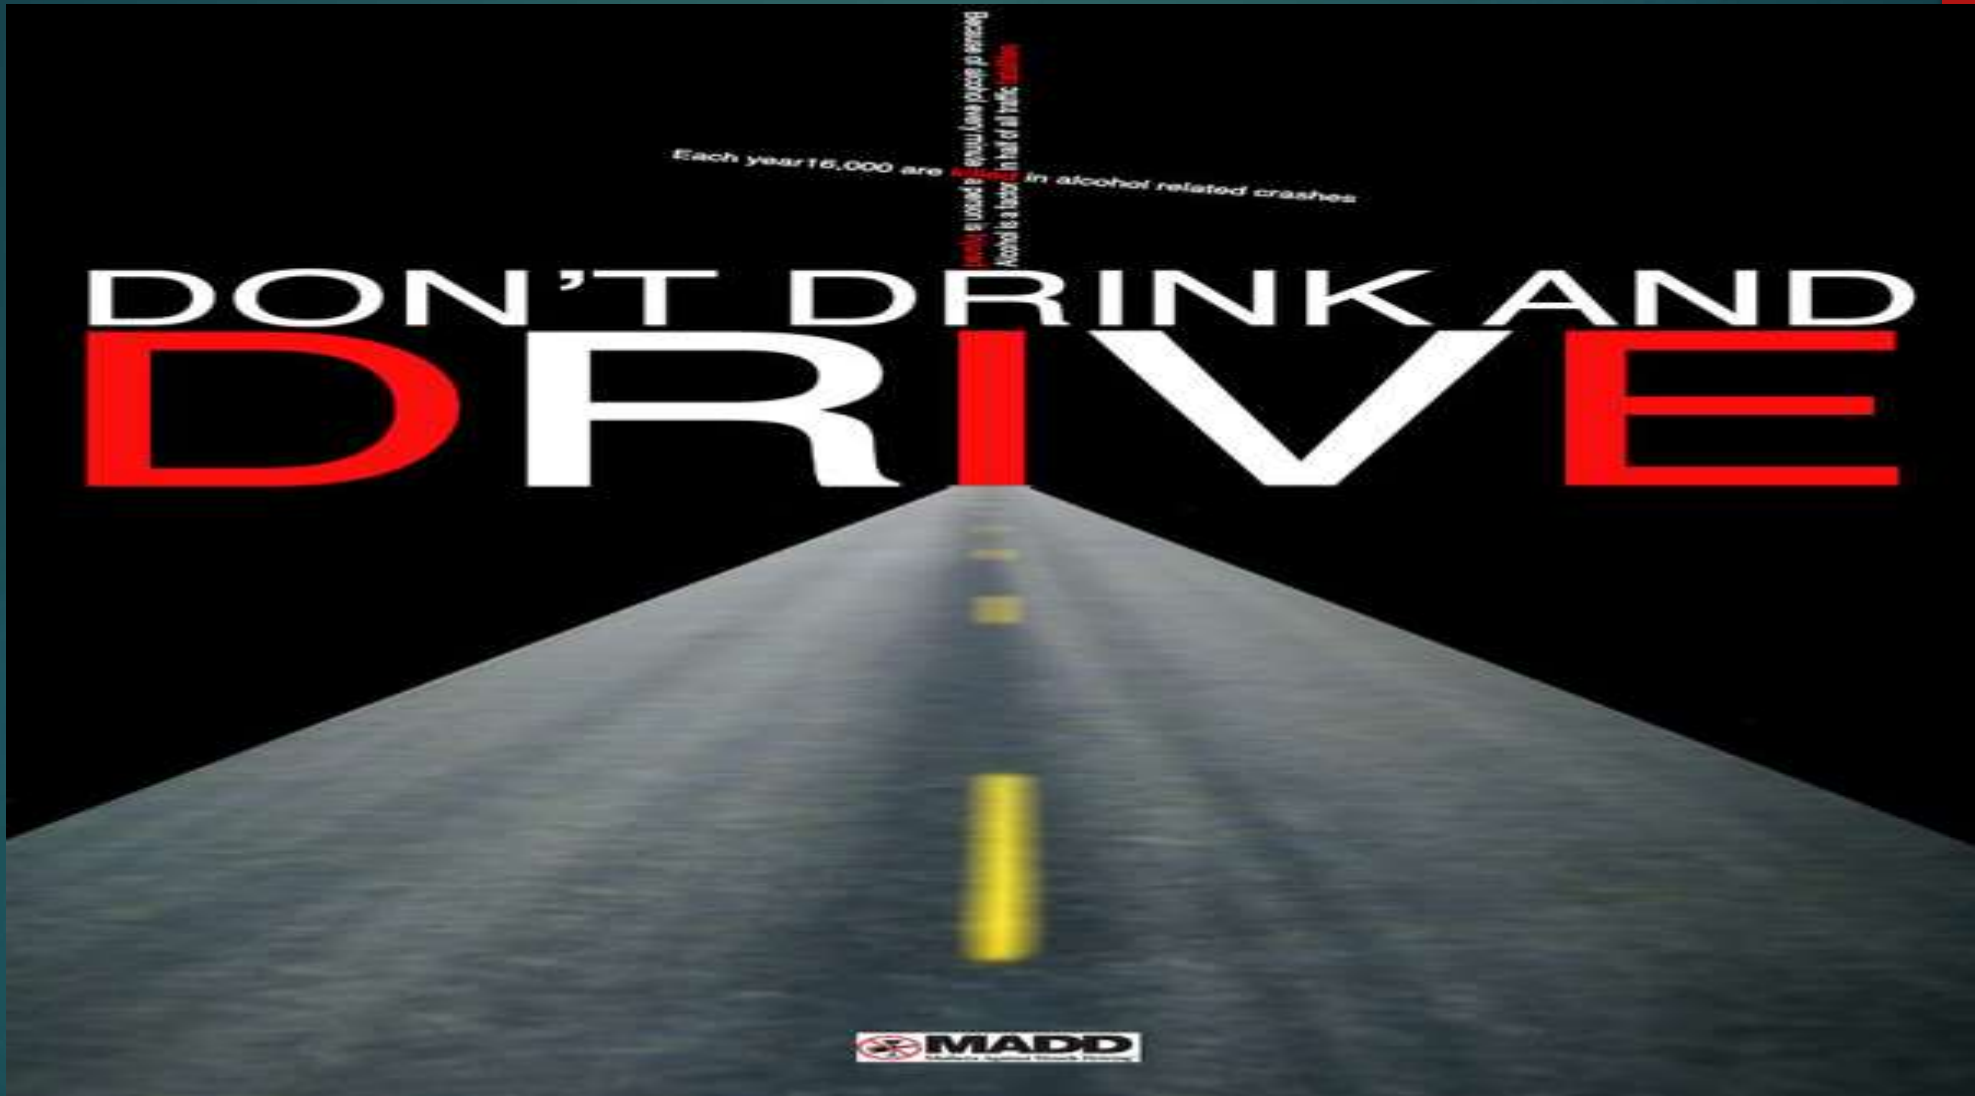

MADE BY: ANTONIS NEVRADAKIS AND SPYROS PAPAGEORGIOY

Whisky contains high doses of alcohol.

Vodka is a very popular drink for parties

This is one of the most strict rules

Car crashes are often caused because drivers don't follow the driving rules which include not drink while driving. If you drink more than you are allowed to, then you are likely to end up either disabled or even dead.

Be like him. Happy and safe.

Don't be like him. "Happy" but in the wrong way

## Nearly 103 Traffic Fatalities

Involves a drunk driver
